SPANISH COMMUNITY OF WALLINGFORD- 284 Washington St., Wallingford, Ct. - 203-859-4343

NASA Astro Camp@ the Spanish Community of Wallingford

Developed with NASA based activities, NASA Astro Camp participants will explore what it really means to be an astronaut and an aerospace engineer through engaging hands-on activities. Our camp will highlight the principles of engineering through hands-on NASA themed activities in which they will apply the engineering design process to solve problems and generate solutions. Students will be building structures, launching rockets, and exploring computer science used in space explorations. Our emphasis will be on

students understanding that engineers must imagine and plan before they begin to create and test. Come join us for a great time and explore the wonders of space science.

SPANISH COMMUNITY OF WALLINGFORD- 284 Washington St., Wallingford, Ct. - 203-265-5866

SCOW School of Music Camp@ the Spanish Community of Wallingford

The SCOW School of Music will host a music camp where children and youth ages 7-18 will receive voice, instrumental and dance lessons. These classes are offered to interested Spanish-speaking children to encourage continued use of the children and parents' native language through music. All of the music and songs used in the curriculum consist of traditional music in Spanish that is recognized, well known, and easily accessible. A final performance will be offered at the end of the camp for families and friends.
