

MERIDEN WATER DIVISION

NOTICE TO JOHNSON HILL CUSTOMERS

(See map for area that will be affected)

Starting the week of June 21, 2010, the Johnson Avenue Elevated Tank will be drained so that repair work can start.

There may be some pressure fluctuations (high/low) that you may experience during this period.

Work on the tank will last approximately two (2) months or less.

If you have any questions/concerns concerning this please call the following number:

DAYTIME/Mon-Fri, 8 am – 4:30 pm
Meriden Water Division 203-630-4256

If you have any problems **AFTER HOURS, Weekends, Holidays** please call the following number:

Meriden Police Department 203-238-1911
(They will contact someone)

Please excuse this inconvenience while this necessary repair work is taking placing.

Thank You
Meriden Water Division
